Nog nooit zijn er op de redactie van een blad in zo'n recordtijd zoveel rampen gebeurd. Nooit was een situatie hopelozender dan de onze. En nu kunnen we bovendien met zekerheid zeggen dat dit het laatste bedrijf is van het koeiendrama. Want meneer Dupuis heeft ons laten weten dat zijn zakenreis ten einde loopt en hij begin volgende week weer op kantoor zal zijn. Hoe reageert hij als hij verneemt wat zich hier tijdens zijn afwezigheid heeft afgespeeld? Hoe reageert hij als hij hoort dat een koe alle kantoren in rep en roer heeft gezet? Wat doet hij, als hij per ongeluk oog in oog staat met de herkauwer? Niemand hier durft er aan te denken. Maar je hoeft geen helderziende te zijn om te raden dat, wanneer meneer Dupuis over zijn eerste schok is gekomen, hij het initiatief van Guust niet zal appreciëren. DAN ZWAAIT ER WAT!
